

Spring-Ford Ice Hockey Club 2008 – 2009 Season

Information/Registration Package

The Spring-Ford Ice Hockey Club was founded in 1998. The Charter of the Club is to provide an organized environment for boys and girls in grades 5 – 12 who reside in the Spring-Ford School District to participate in the sport of ice hockey. We have teams participating at the Middle School, Junior Varsity, and Varsity levels. Our Varsity and Junior Varsity teams compete in the Inter-County Scholastic Hockey League, and our Middle School team competes in the Middle School Ice Hockey League at Ice Line in West Chester. Our teams practice at Center Ice, Oaks.

Our Club has been organized and is governed by parent volunteers. Coaches also serve on a volunteer basis. Heavy emphasis is given to skill development and physical training. The Club is funded totally by membership dues and fund-raising events that are conducted by the Club in an effort to keep the program affordable to all interested families. We have an active membership and encourage all new members' involvement and participation in Club activities.

Any member who is unable to meet the payment schedule must contact the Club Treasurer in order to arrange an extended payment schedule. Scholastic Ineligibility or suspension from the club for a violation of the code of conduct outlined in our handbook does not defer your responsibility as members for any and all payments to the Club.

There is also a USA Hockey registration fee for players who are not registered with another team during the 2008 – 2009 season. The fee is approximately \$40 and is in addition to the club fees.

New this year: All USA Hockey Registration must be completed on-line. This includes payment. The SFIHC will not be collecting any related fees. Go to: www.usahockeyregistration.com , click on Players/Coaches and follow the directions through the “check-out” portion. You will be asked for payment information. Be sure to print out the registration confirmation and bring it with you on the first day of the summer camp so your child can step on the ice. No form, no ice time. This year camp begins August 18th 2008.

Dues Refund Policy

Membership dues shall not be refunded except they may be prorated as follows:

1. If a Player relocates to another school district and is deemed ineligible by the league, after Club petitioning, in which events a pro-rated refund will be made, or
2. If the Player suffers a physical disability supported by a medical certification preventing him or her from playing ice hockey, in which events a pro-rated refund will be made.

REGISTRATION AGREEMENT

This is an agreement between the parents and/or natural guardians of _____ ('Player') and the Spring-Ford Ice Hockey Club ('Club'), collectively the 'Parties' entered into this _____ day of _____, 2008.

1. By signing this agreement, Player agrees to play for the Club and the Club agrees to provide ice skating time in its program.
2. This signatory(s) assert(s) that the Player is not affiliated with any other Middle School or ICSHL Club for the 2008 – 2009 season.
3. The parties recognize that ice hockey is a vigorous, highly competitive sport, involving substantial body contact. Some required equipment is dangerous, such as sticks skates and pucks. Learning and playing this sport requires discipline and acceptance of some risk of physical injuries.
4. With proper equipment and cooperation such as those specified in the Spring-Ford Ice Hockey Club Sportsmanship Code and Rules of Conduct, the hazards inherent in the sport of ice hockey can be reduced, although they cannot be eliminated entirely.
5. The Player agrees to purchase insurance from USA Hockey to cover limited claims for injuries.
6. The undersigned hereby represents that the above named Player has been examined by a licensed physician and is medically fit to participate in the program, and accordingly, the undersigned hereby RELEASES, INDEMNIFIES, AND HOLDS HARMLESS, the Club and its authorized agents from any liability arising out of failure to obtain such examination.
7. The undersigned hereby AUTHORIZES and GRANTS PERMISSION to the coach, assistant coach, manager or other official of the Club to have the Player examined and treated by a physician and/or admitted for hospital care should such care become necessary while the Player is in their charge. The undersigned further gives authority to any physician, nurse or hospital to perform such examination treatment as may in their best judgement be necessary or desirable under the circumstances.
8. The signatory(s) understand(s) that the remittance submitted with this agreement will be applied toward Player's registration fee as described on the attached schedule. The Club reserves the right to reject any application.
9. The undersigned understands that scholastic ineligibility does not defer or suspend Player registration fee obligation as described.
10. By signing this agreement, the signatory(s) agree(s) to make all payments according to the schedule attached to this agreement as determined by the Player's team assignment. It is understood that should a player no longer chose to play with the club all fees are non-refundable, except:
 - a. If a Player relocates to another school district and is deemed ineligible by the league, after Club petitioning, in which events a pro-rated refund will be made, or
 - b. If the Player suffers a physical disability supported by a medical certification preventing him or her from playing ice hockey, in which events a pro-rated refund will be made.

11. By signing this agreement, the signatory(s) agree(s) to be bound by the by-laws, Rules and regulations of USA Hockey and of the ICSHL, or the Middle School league, and the Code of Conduct. Conditions of participation, Registration fee policy and rules and regulations of the Sportsmanship code and the code of conduct of the Club. Continued or serious violation of the Rules and Regulations and/or the instructions of coaches, assistant coaches, and managers will constitute grounds for suspension of participation in Club programs and/or termination of membership by the Board of Directors of the Club.

12. Coaches, assistant coaches, managers, drivers and the directors and officers of the Club serve voluntarily and without compensation as a service to the members and Players of the Club and to promote the goals of the Club. Parents and guardians have primary responsibility for providing transportation to and from games, practices, and other related events.

13. With full understanding of the foregoing, the Players and the parents, guardians, and other persons who signature(s) appear below do hereby: RELEASE, INDEMNIFY, AND HOLD HARMLESS the coaches, assistant coaches, managers, drivers, Players, directors and officers of the Club and other active participants individually and as a group from and against all actions, suits, claims, costs, damages, and expenses which my in any way arise out of, or in connection with the involvement of the above named Player in the Club, including, without limitation, all claims that the Player or others might have for personal injury to the Player or to any member of his/her family arising from participation in the program, including transportation to and from games, practices, and related events.

Spring-Ford Ice Hockey Club
Sportsmanship Code and Rules of Conduct

PREAMBLE

The primary objectives of the Spring-Ford Ice Hockey Club are the promotion of good sportsmanship, the development of hockey skills, team cooperation and constructive recreation. Additional objectives include developing an appreciation for competition and the striving for excellence, managed in conformity with the primary objectives. In order to accomplish both sets of objectives the various age groups will be divided into skill categories. Participants are urged to be aware of the SFIHC philosophy in regard to allocation of playing time.

1. Scholastic eligibility is of most importance and will be enforced at all levels. The guidelines are the same as a School District sponsored sport.
2. Practices are designed to improve individual and team skills of all players. The coaches will determine where improvement is required.
3. Players will be expected to willingly assist the coaches in whatever duties are assigned during practices and games.
4. All players are expected to attend all practices and games and to be on time for all sessions – fully dressed and ready to go on the ice before the session is scheduled to begin. Moreover, at the end of the session all players are to leave the ice immediately.
5. There will be no horseplay in or around the rink area, on the ice, or during transportation. Transportation is the responsibility of the players and their parents.
6. Each team will have a Manager who is in charge of the Club's equipment assigned to that team. Each participant is expected to heed the instruction in regard to the use, care and treatment of this equipment. All players are expected to share in the proper care of equipment, scrimmage pullovers, pucks, goalie gear and coaching equipment.
7. No player will be allowed on the ice without USA Hockey and SFIHC required equipment. Please consult Club officials regarding proper colors.
8. The coaching staff is solely responsible for player position assignments.
9. Participants are urged to be aware of the SFIHC philosophy in regard to allocation of playing time.

PROGRAM FOR PREVENTING AND HANDLING CASES OF SERIOUS MISBEHAVIOR

Because of a variety of factors, including officiating and player control, the SFIHC may encounter situations involving serious misbehavior. To cope with this problem, the SFIHC Board of Directors, established a Sportsmanship Code and set rules and action

guidelines to deal with this particular problem. The SFIHC believe that the program given below will help to prevent or to control difficult situations arising at games or practices.

DEFINITIONS OF SERIOUS MISBEHAVIOR

For purposes of this report, serious misbehavior consists of any one or any combination of the following acts:

1. Deliberate injury to another party.
2. Deliberate attempt to injure another party.
3. Fighting.
4. Attempting to fight, including dropping or removing gloves.
5. Leaving players' bench, or goaltender leaving goalie crease, to join or to attempt to join an altercation.
6. Verbal or physical abuse of an official, coach or spectator, and/or teammate or opposing player.
7. Incurable behavior, including refusal to obey coach; refusal to comply with a referee's decision, using force on an official or coach, or attempting to use force on an official or coach, using or attempting to use unwarranted force on a fellow team member.

Most of the above are considered match gross misconduct, game misconduct or major penalties by USA Hockey. There may be others not mentioned which fit such categories. Moreover, any act of serious misbehavior may call for the imposition of a SFIHC penalty.

SPRING-FORD ICE HOCKEY CLUB PENTALTIES FOR SERIOUS MISBEHAVIOR

It is the responsibility of all Spring-Ford coaches, players and spectators to report any case of serious misbehavior that occurs in practice and/or in games as defined above to the Spring-Ford Ice Hockey President.

The initial report may be oral but shall be made within 48 hours of the incident in order to save time; such oral report is to be followed by a written summary within 5 days of the incident naming the player(s) involved, the acts committed, and related circumstances. It is important that the written summary of the serious misbehavior be submitted properly, as the Board will conduct a review of each case. Spring-Ford Club penalties may be imposed in accordance with provisions of the section below. These Club penalties may be either concurrent or in addition to any penalties resulting from violation of ICSHL, Middle School rules or USA Hockey rules. The cumulative nature of the penalties holds for any type of infraction.

1. For the first infraction, suspension from remainder of game or practice and from one additional game:

2. For the second infraction, expulsion from remainder of game and from two additional games.
3. For the third infraction, expulsion from Spring-Ford Ice Hockey Club.
4. For infractions that involve deliberate injury to another party or the deliberate attempt to injure another party, expulsion from remainder of game or practice and possible suspension from the Club for the remainder of the season.
5. Late season carryover infractions incurred during the months of March and April for which penalties cannot be served will be carried over to the following season for completion of penalty imposed.

CONCLUSION

It is the intent of the Spring-Ford Ice Hockey Club that the action guidelines presented above, including club penalties imposed by the SFIHC will minimize or eliminate the problem of serious misbehavior as it pertains to our Club. By our examples on the ice, on the player's bench and in the spectator's stands we may extend our influence to other organizations. Our plan and our actions may serve as a catalyst to control the misbehaving minority that threatens the reputation of an excellent sport. In any case, SFIHC players, coaches and spectators are expected to conduct themselves in such a manner that they will be a credit to the Club, to their families and to themselves.

It is the purpose of this agreement to exempt, waive and relieve releasees from liability for personal injury, property damage, and wrongful death, including if caused by negligence, including the negligence, if any, of releasees. "Releasees" include USA Hockey, Inc., its affiliate associations, local associations, member teams, event hosts, other participants, coaches, officials, sponsors, advertisers, and each of them, their officers, directors, agents and employees.

For and in consideration of the undersigned participant's registration with USA Hockey, Inc., its affiliates, local associations and member teams (all referred to together as USAH) and being allowed to participate in USAH events and member team activities, participant (and the parent(s) or legal guardian(s) of participant, if applicable) waive, release and relinquish any and all claims for liability and cause(s) of action, including for personal injury, property damage or wrongful death occurring to participant, arising out of participation in USAH events, member team activities, the sport of ice hockey, and/or activities incidental thereto, whenever or however they occur and for such period said activities may continue, and by this agreement any such claims, rights, and causes of action that participant (and participant's parent(s) or legal guardian(s), if applicable) may have are hereby waived, released and relinquished, and participant (and parent(s)/guardian(s), if applicable) does(do) so on behalf of my/our and participant's heirs, executors, administrators and assigns.

Participant (and participant's parent(s)/guardian(s), if applicable) acknowledge, understand and assume all risks relating to ice hockey and any member team activities, and understand that ice hockey and member team activities involve risks to participant's person including bodily injury, partial or total disability, paralysis and death, and damages which may arise therefrom and that I/we have full knowledge of said risks. These risks and dangers may be caused by the negligence of the participant or the negligence of others, including the "releasees" identified below. These risks and dangers include, but are not limited to, those arising from participating with bigger, faster and stronger participants, and these risks and dangers will increase if participant participates in ice hockey and member team activities in an age group above that which participant would normally participate in. I/We further acknowledge that there may be risks and dangers not known to us or not reasonably foreseeable at this time. Participant (and participant's parent(s)/guardian(s), if applicable) acknowledge, understand and agree that all of the risks and dangers described throughout this agreement, including those caused by the negligence of participant and/or others, are included within the waiver, release and relinquishment described in the preceding paragraph. I/We agree to abide by and be bound under the rules of USA Hockey, including the By-Laws of the corporation and the arbitration clause provisions, as currently published. Copies are available to USA Hockey members upon written request.

Participant (and participant's parent(s)/guardian(s), if applicable) acknowledge, understand and assume the risks, if any, arising from the conditions and use of ice hockey rinks and related premises and acknowledge and understand that included within the scope of this waiver and release is any cause of action (including any cause of action based on negligence) arising from the performance, or failure to perform, maintenance, inspection, supervision or control of said areas and for the failure to warn of dangerous conditions existing at said rinks, for negligent selection of certain releasees, or negligent supervision or instruction by releasees.

If the law in any controlling jurisdiction renders any part of this agreement unenforceable, the remainder of this agreement shall nevertheless remain enforceable to the full extent, if any, allowed by controlling law. This agreement affects your legal rights, and you may wish to consult an attorney concerning this agreement.

Participant (and participant's parent(s)/guardian(s), if applicable) agree if any claim for participant's personal injury or wrongful death is commenced against releasees, he/she shall defend, indemnify and save harmless releasees from any and all claims or causes of action by whomever or wherever made or presented for participant's personal injuries, property damage or wrongful death.

Participant (and participant's parent(s)/guardian(s), if applicable) acknowledge that they have been provided and have read the above paragraphs and have not relied upon any representations of releasees, that they are fully advised of the potential dangers of ice hockey and understand these waivers and releases are necessary to allow amateur ice hockey to exist in its present form. Significant exclusions may apply to USA Hockey's insurance policies, which could affect any coverage. For example, there is no liability coverage for claims of one player against another player. Read your brochure carefully and, if you have any questions, contact USA Hockey or a District Risk Manager.

ONLINE REGISTRATION

If you haven't experienced the ease of online registration with USA Hockey, we encourage you to visit usahockey.com and join the nearly 150,000 players, coaches and officials nationwide that took advantage of USA Hockey's new registration system in 2005-06. In its first year, USA Hockey received online registrations from more than 25% of its members. Will you be next?

Why Should You Use USA Hockey's Online Registration?

The benefits are plenty for both the member and the local program. Here's why:

For the Member, Online Registration Provides:

- The opportunity to process your registration individually, ensuring that the personal data is correct and complete.
- Confidence that your payment has been processed and received by USA Hockey and your Affiliate.
- Instant receipt and an email acknowledging your transaction.
- A confirmation page and number to take to your local program as proof of registration.
- Seamless registration for all programs you participate in, thereby avoiding the risk of duplicate payment.
- A direct link to USA Hockey and the educational and support mechanisms the organization provides.

For the Local Program, Online Registration:

- Reduces the workload of local program volunteers – they no longer need to collect USA Hockey fees and Affiliate fees, request and receive checks, reconcile fees paid, collect and retain signed waivers, do data entry, create disks, print reports to go with disks, and make trips to the post office.

What Are Our Members Saying About Online Registration?

Speaking as a new team manager – this is GREAT! We required all of our players to register online and we did not have a single complaint! The parents brought in the receipt when they registered with the team. I collected the information, entered it into the Cyber Sport software and we were good to go.

Kelly Hurt
Marietta Patriots

Our membership was very cooperative and efficient with the online registration. We provided a link to the USA Hockey registration page on our website. It really worked well and was a huge time savings for me. Our membership had positive comments about how easy it was.
